

Bloom Where God Plants You!!!

April is Autism Awareness Month!

Dear Families and Friends:

This is going to be busy month for our foundation! There are so many wonderful events planned to bring forth much needed awareness and acceptance for the autism community. Please see enclosed flyers to choose what you would like to attend and support. We are asking all PLCTA families to attend our 10th Anniversary Walk on April 20th. This is a very special occasion for our foundation, as it marks ten years of hard work by so many to bring about change and education. Don't forget that we requested that each family donate \$5 toward the basket raffle. Your family will enjoy all the wonderful activities planned for that day. Don't forget your bubbles. Bubbles of Hope will take start at 10:30am prior to the walk. Walk kicks off at 11:00am. Again, check out all the flyers enclosed for an update on Autism Events supporting PLCTA and autism.

Our Annual Dinner will be held on May 9th. By now all invitations should have been picked up. We look forward to honoring these special individuals and say "Thank You" to those who have made a difference for our children in 2012-2013. Congratulation to our 2013 honorees.

We thank all the schools that are participating in our Annual Dress Day Month. It is an honor to do presentations in our local schools that teach tolerance, compassion and kindness.

Happy Spring to All. Love Makes Everthing Grow!

Kathleen Marie Walsh
