

June Newsletter

Dear Families and Friends:

As we near the end of another wonderful year in PLCTA, I want to thank everyone who helped to make our Hope Floats- Signs of Hope theme such a wonderful success. Please consider joining as we close out our year with a Candlelight Prayer Vigil hosted by Michael Slater. (See Flyer) He has worked very hard on this and it will be a beautiful night for all.

There are some great social groups planned this month check out the flyer for RSVP dates.

Congratulations to everyone who was honored at our May 29th Dinner. I was so proud and inspired by our honorees. I think we did an amazing job cutting corners so that we can continue this dinner in the future. Thanks to all for your cooperation. Enclosed is program of the wonderful night. Thanks to all who helped prepare and carry out the dinner.

Our next goal is to GO GREEN. If you have a computer please help us by taking yourself off the paper newsletter. The expense each month in mailing 130 newsletters is hurting our budget with the increase of printing and postage. By going to www.plcta.org you can read or even print the monthly newsletter. Next month we will be updating information and you will receive more on how to do this.

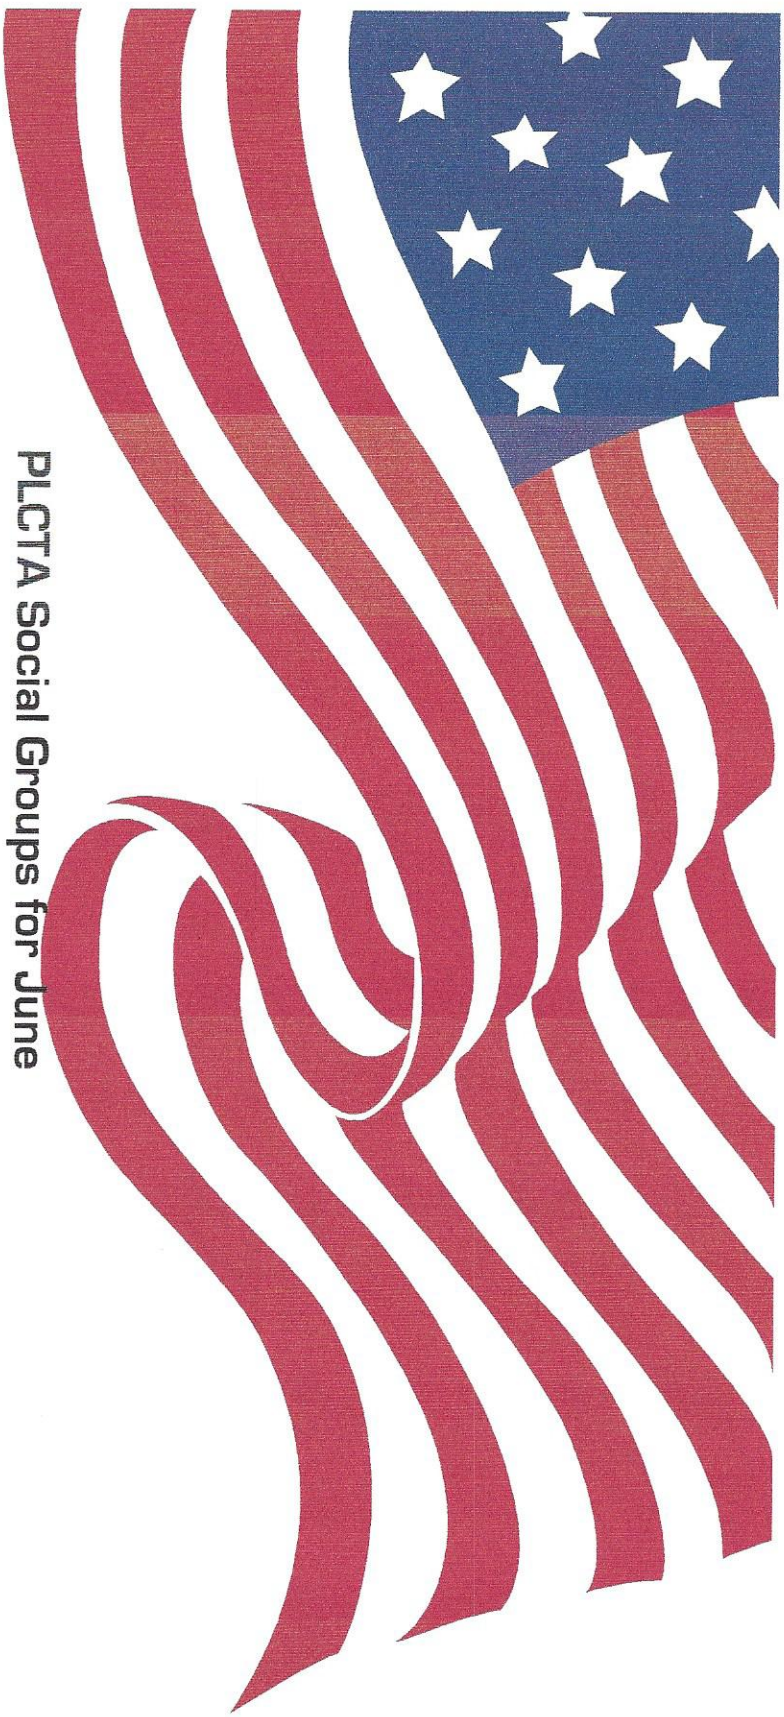

As another school year comes to an end, I would like to wish everyone a great summer. Make some lasting memories!!!!

Your President Kathleen M. Walsh

Don't forget to take God with you

I think many of you will agree, that it was a long, and cold winter. Now that the snow, ice, cold and wind is finally gone, and the children are now preparing to get out of school, it is now time to prepare for that well needed and well deserved vacation. As we begin to make our preparations, we need to be reminded **that we never take a vacation from God!** So, here are some things that we can keep in mind to make sure that we don't take a vacation with the Lord. Do some research on locating the nearest place of worship so that you're not missing Sunday service. Take time to pray each morning and before you go to bed. Vacations are necessary, even Jesus taught his disciples that it was important for them to take a vacation. Jesus' disciples traveled from town to town telling others about God and his love for them. They traveled every day teaching, preaching and healing the sick. They worked day and night and often didn't even have time to eat or sleep. Seeing how tired they were Jesus said to them, "Come with me to a quiet place and rest awhile."

As we begin to make our summer vacation plans, just remember to take Jesus with you. We need to include him in all that we do and take the time to rest and renew our strength. Vacations are so full of activities but remember to set aside some time for rest and relaxation, so that we can come back home refreshed and renewed. "Stay-cations" and summer vacations are often perfect opportunities to get caught up on chores and projects that we've been putting off. Whatever you decide to do this summer, I would like to wish you a great summer! *Michael Slater* 😊

*Please join the PLCTA family as we close the year of our theme Hope with a Candlelight Prayer Vigil of Hope at 7:30pm Thursday June 19th at Nay Aug Park. The prayer service will begin at the bandstand located directly across from the Everhart Museum. **Please bring a candle with you***

Dear Families and Friends:

In July, PLCTA with the help of Skye's the Limit will be holding our 2nd Golf Tournament. Last year we honored the special man in your child's life and it turned out to be a beautiful tribute. This year, it is time to honor the special women.

There are three ways to honor the special woman in your child's life

1. You can name a hole after her. We have only 18 holes so you will need to decide early for this.
2. You can put her name on the back of the shirt for only \$5.00. The shirt would be another \$5.00 to order.
3. A picture board with all the special women will be proudly displayed at the event.
4. Form a captain and crew team after your special lady's honor. Team Karen. Team Roxanne.

How can you help? Please spread the word.

We need golfers, teams and sponsors for this event. Enclosed is all the information. Forms are also posted on our website plcta.org Men and women please come out for a nice day of golfing. We will make this a beautiful day all for you. Help us to celebrate the wonderful women in our families who help to nurture and love our children!! There will be some great prizes and an outstanding event for all who attend! Any questions please call 341-3388
