

NOVEMBER NEWSLETTER

Dear Families and Friends:

I thank you so very much for all who helped with our Coin Drop. Thanks to Mary for organizing the event. It is so nice to see our PLCTA children and young adults giving back to our foundation by serving. It warms my heart to see how God can use every willing heart for his purpose.

We have a wonderful Christmas Party planned for your families. We will be holding it at the Dunmore Community Center from 4pm to 7pm. It will be a special time for all. Louis the Facepainter will be present, as well as jump houses. So wear comfortable clothes. We are asking our families to contribute to a special project for our soldiers past and present. We are asking for the following items. Socks, razors, combs, small personal size hygiene items such shampoo, cream rise, soap, notepads pens. All these items can be found at a Dollar Tree near you. There will be a box in the entrance way. This year our theme is "Bucket Filling". We want to use these events to promote giving back to others. When we give we also receive. Let's teach our PLCTA families the true meaning of the holidays.

Our Christmas Raffle is now ongoing. Please contact Chrissy or any board member to receive your raffle tickets. Some lucky winner is going to have a PlayStation 4 under their tree, \$500 for extra shopping or a nice getaway at a beautiful place.

On behalf of the PLCTA Foundation. I would like to wish all our families a beautiful Thanksgiving. On behalf of our family, we thank those families who attended the Peanuts Movie to honor our beautiful Samantha. It really warmed our hearts to celebrate that special event with you.

Remember to be grateful always and count your many blessings!

Your President, Kathleen M. Walsh

Happy Thanksgiving
